Dear Clarence and family,

I am sorry to hear of Shirley's passing but she is now in her Heavenly Home, and without any suffering or pain. I remember her from the many times that she and Clarence and the children came to visit at the homestead in Elmo, PA. Our family lived across the road, so when they came back to the homestead where Harriet was born and raised, we usually got to see them. There was always lots of activity and my dad, Don Kahle, and my mother, Pauline, and all the Kahle siblings loved to see them come. The Kahle and the Roberts children had lots of fun playing on the farm (ours and Grammy and Pappy Kahle's) and my dad was such a tease. He would spend lots of outdoor time with all of us, milking cows, feeding the animals, and picking things in the gardens. And my mother was always glad to see the Roberts family come to visit. She loved to chat with Clarence and Shirley and to cook for all of us.

I remember Shirley as a vivacious, happy, smiling, out-going woman. She was a beautiful lady who loved and enjoyed her big family so very much! She had a raspy, sexy voice and we had the pleasure of hearing her sing from time to time. She loved the country and being back on the farm where she had had many happy experiences while she was growing up.

Shirley will be greatly missed by so many people who loved and appreciated her so very much.

JUST THINK

Just Think...
Of stepping on shore and finding it Heaven,
Of taking hold of a hand and finding it God's hand,
Of breathing a new air and finding it celestial air,
Of feeling invigorated and finding it immortality,
Of passing from storm and tempest to an unbroken calm...
Of waking up , and finding it HOME!
