Penny was a great co-worker and a wonderful woman in general. I have only been at Salisbury for about 2 1/2 years but I had really gotten to know Penny in that short time both at work and in a social setting. She was so caring, sweet, and funny! She always had a smile on her face and could make you laugh even on the craziest of days. We miss her dearly here at Salisbury and we talk about (and even to) her everyday at the office. We've even kept her voicemail greeting on her phone so that we can call it and listen to her sweet voice. My heart truly goes out to her family and friends during this sad time. Know that Penny will always be with you in spirit especially when you need her the most.

Sincerely,

I have been a rep for Salisbury pewter for many years and I feel fortunate to have known Penny.

It was always a big treat when she would attend the Gift shows. After all - we talked frequently on the phone, so it was fun to get to see her "in person". I must admit that Penny was my favorite person to call at Salisbury and I have her Tel Ext memorized - 21. I use to kid her and ask if that was her age. We both got a big laugh from that! When I would call her about an order or whatever it was, she was always pleasant, conversational and kind to me. And of course, she knew everything there was to know about the product and the customers.

It was a real shock to me to hear that she had died. I mourn her loss - yet I remember her and smile. She was a neat lady and will be missed.##imported-begin##Mark Andersen##imported-end##

We all loved Penny as did most of our customers. Things will not be the same at Salisbury Pewter without her bright, sunny disposition (and of course the occasional cuss word!).

She will truly be missed and we are so sorry for your sudden loss.##imported-begin##Leslie Davis##imported-end##
