Sorry, to hear of Roger's passing. He was a very nice and cordial person. I got to know him and Rena at their first bait and tackle store in Chester which I visited many times mostly to chat with them and buy more stuff I did not need. Condolences and prayers to Rena and family.

Our thoughts and prayers are with you Rena and family for peace and comfort. We shared so many good times together at Sportsman's. He was a great guy and did so much to help others. Thank you all for the wonderful memories and your kindness through the years. Love, Stan and Fran

Roger will be greatly missed by his many friends and his family. I feel so blessed to have had some fun memories with the Dye family. Probably one of my favorite is the famous VCRs that Roger and Bert purchased. I am not sure anyone else on Kent Island owned this kind of technology at the time. The only place to rent movies was in a store in Parole. They would take turns renting and sharing with each other. Those two had so much fun!
