

Betty Thomas Schulz

July 23, 1924 - December 8, 2011

Betty Thomas Schulz of Chester passed away at her home on December 8, 2011. She was 87.

Betty was born on Kent Island in Chester, MD, the daughter of “Capt.” Alec Thomas and Anna Mae Ruth. Her parents opened the original Fisherman’s Inn in 1930 when she was 6 years old. From that moment, her life revolved around Fisherman’s Inn. The original Inn itself was a one story building with 2 bedrooms on one side and the dining room (seating 26 people!) on the other side with the kitchen in the rear. The entrance was a small front porch. There was a Cupid Ice Cream sign on the top and 3 Atlantic Gas pumps in the front. It started life as a stopping point for people going to the beach.

In 1939, an upstairs of 4 bedrooms and 2 bathrooms was added, plus a store on the side for the convenience of the oyster shuckers and crab pickers who lived in the “shanties” (owned at that time by at least 10 other seafood packing houses in the area). Today there is one left just for shucking oysters. They were lucky, and the business survived by her parents’ hard work, even preparing for the next day’s business by picking crabs and shucking oysters overnight (and throwing the shells out back in the marsh). They also had build nine cabins to rent out to motorists and fishermen.

A few years later, her father built the W. A. Thomas Packing House,

accessible in the back by a small county road and in the front by a 3 board wide boardwalk built over the marsh. This was made accessible when the marsh was filled in by sand from the dredging of the Narrows' channel in May 1950. The Inn was added onto several times over the years by side porches, eventually seating 130 people by 1953.

Betty graduated from Stevensville High School in 1943 and the Bard Avon Business School in Baltimore in 1944. She continued living and working at the Inn. With her mother leaving and her father busy at the packing house, she had the responsibility of the restaurant at a very young age.

In November 1956, she married Oscar "Sonny" Schulz. He retired as Captain of his fishing charter boat "The Maverick" to open with Betty the newly built Fisherman's Inn on May 11, 1971. They had outgrown the old restaurant due to increased business after the first Bay Bridge opened in July 1952. This new Inn was completely destroyed by fire 9 years later on December 22, 1980. It was rebuilt and opened again on July 28, 1981, seating 270 people today plus 2 additional dining areas for private parties.

In 1972, they also purchased the adjoining A.C. Harris Packing House. They remodeled it in July 1991, keeping the front as a seafood market and the back on the water, opening seasonally, as the Fisherman's Crab Deck.

Betty enjoyed traveling, first driving across country to California with her mother in 1954. She felt lucky in later years to travel to Hawaii and Japan, to vacation in Jamaica, Mexico and countries in Europe, especially to visit friends in England and Germany.

She supported Sonny's idea to put a train track around the restaurant ceiling in 1994, which has been a hit with the children (and men!). They've also been proud of the collection of oyster plates – all lost in the fire but now totaling

over 400.

Her last achievement, of which she was most proud, was the unexpected success of her cookbook. It was first published in June 2005 and has now sold over 6,000 copies. It has been popular because of the inclusion of a little local history and a few memorable old photographs. It is sold only at the Inn and copies have been ordered and mailed all over the country.

In addition to Sonny, she is survived by three sons: Andy and his companion, Therese, Jody and his wife, Sheri, and Tracy and his wife, Stacey; seven grandsons: Dusty, Kirby, Hunter, Kolby, Holden, Dorsey and Harrison; a step granddaughter, Mallory Buellis; a step-great-granddaughter, Mia Spiegel; and a brother, Harold Thomas and his wife, Jean.

A funeral service will be held at 1:00 pm on Tuesday, December 13, 2011 at the Kent Island United Methodist Church in Chester, where friends may call on Monday, December 12 from 12:00 – 2:00 pm and 6:00-8:00 pm.

Memorial contributions may be made to the Kent Island Volunteer Fire Department, 1610 Main Street, Chester, MD 21619.

Burial will follow at Stevensville Cemetery.

Funeral arrangements by Fellows, Helfenbein & Newnam Funeral Home, P.A. in Chester.

“ I enjoyed our times spent together sitting, rocking watching my girls swim with your grandchildren, and play with Rockie. Looking at your family pictures, your collectables, and your beautiful painting, thou not much was ever said, I felt your strength, dignity, and the admiration you had for your family, work and friends. I will miss you dearly, and I am a better person for knowing you.
If ever there is tomorrow when we're not together.. there is something you must always remember, You are braver than you believe, stronger than you seem, and smarter than you think. But the most important thing is, even if we're apart.. I'll always be with you.

Fishermans Inn and Miss Betty were family but we were more than that over the years. My grandmother worked at the old restaurant (the original) and I worked at the first new one. I remember the night it burned and how devastated I was to have lost a part of my life. I watched the boys grow up while I worked there and afterward as they were friends with my brother. Miss Betty was a very unique individual and I always admired her for the way she was with people and with her family. I know you all will miss her. My thoughts and prayers are with you all and may you find peace that God gives to us in times like these. With love, Debbie

I have so many, many fond memories working at Fisherman's Inn. Betty was always there for me. When I had my babies I could not wait to go and show her and Sonny. Betty always looked out for her girls. I am proud to be one of the old timers at Fisherman's Inn. You will always have a special place in my heart Betty! You will truly be missed!

“ Aunt Betty is one of the few Eastern Shore ladies from days gone by. She was a special person. I have many special memories of days at the packing house with Dad and slipping up to the restaurant in the back door and Aunt Betty giving me slices of the best strawberry pie in the world. The birthday parties she gave herself at the crab deck open to all her friends showed how generous she was, those parties were like going back in time to the good ole' days on Kent Island.....Rest in peace Aunty Betty

“ My fondest memories of Betty are when I worked for her at the Inn about 1960. She was always bustling around and keeping everyone on their toes. It was an enjoyable atmosphere in which to work. Later I taught her two oldest sons in Sunday School. My Betty's family be blessed with God's grace and peace as they face this Christmas season knowing that Betty is with her parents in heaven.

To put on that blue and white uniform, carry that 'guest check' pad in my pocket, be dog tired from a two hour wait on the 6's, and then sit around the big round table with everyone and Betty talking about the busy night we had, then she would say "Okay girls, go home, we've got to do this again tomorrow."

“ *Miss Betty was the epitome of a lady, always wearing a skirt, carrying herself with such dignity and class, and reaching out to others with compassion and love. She worked harder than anyone I have ever met at her age with such boundless energy and passion. She placed everyone of her "girls" under her wing and gave them wings to fly. It was an absolute honor to have known her, although briefly, and worked at her exceptional establishment. To all of her family, blood and employees, I am truly sorry. She is reaping what she has sown ~ beautiful gifts of unconditional love and humility...Bless you all. Breathe deeply and reflect upon her incredible life and legacy. Miss Betty raised the standard on many levels; live up to those standards and be proud that you knew such a fine lady. May each of you know my love, and feel my prayers. 2 COR. 5:17 "If anyone is in Christ, he/she is a new creation."*

“ Ms. Betty was more then a boss and a mentor, she was a mother figure to me. She was a no nonsense kind of person and that was one of many things I loved about her. When Ms. Betty would call and say can you work yes or no, no time for an explanation right to the point. I'm not sure if anyone ever noticed, but she never said goodbye. When I hung up the phone I would always laugh. Words can never say how much you will be missed. Goodbye Ms. Betty I love you.
