“ I had the privilege of working with Al for many productive years for the Navy in Annapolis. He was a wonderful engineer and could do just about anything involving engines and turbines. He brought joy to all who were associated with him--and who could forget his unique laugh! He will be missed and remembered.

“ Holly, Heather, Chase, Myles & Family -

I'm so very sorry for your loss. I'm so grateful to have had the opportunity to spend time with your Dad and will dearly miss him - he was fun, always made me feel welcome, and I loved his smile, spunkiness and character. I'll always have fond memories of our pizza date & the holiday dinner he was kind enough to share. My heart goes out to all of you, and I hope your many happy memories provide peace, comfort, and great stories to share for years to come.

With much love and heartfelt condolences,

“ Allen Hein was a very good friend of ours. We attended St Andrew's Church together and worked together for several years with Camp Wright. Al was a wonderful man and a visionary. His intelligence , hard work and dedication to any project never went unnoticed. We often think of the train he built in order to retrieve his mail when he lived out in the country near Sudlersville. We were truly saddened to hear of his passing. Please know that we spoke of him often with much fondness and admiration. May God bless him and provide comfort for the family. His signature smile and laugh will remain in our memory. Bob and Ann Campbell
