“ Dwayne and I have been going to Dr. Lavoie for years. I was so shocked hearing about this passing. I was to see him that week. He was a great dentist and one that is going to be hard to replace. I never met his wife but he spoke fondly of her.

“ I was shocked and saddened by the news of Dr Lavoie's passing. I have spent so much time with him over the past couple of years while he performed miracles with my teeth. He was such an interesting man to talk with and one could quickly see that he loved his work and enjoyed giving you a smile and the ability to enjoy the foods you loved again.

I hope he will continue his great work in Heaven!!
