“ To Joyce and Steph and your families; My heart goes out to you during this difficult time. I sit here and look at Mrs. Kennedy's photo and smile as i think of the fond memories I have of she and Mr. Vic. Mrs. Kennedy had the most wonderful smile, and was so warm hearted. I never forget the day that i peered out my upstairs window, over to her home and saw her wrestling with a 6 foot black snake as it was determined to stay in her shed. (the snake lost). and also the time when i sprayed bug spray on all of her cedar trees to kill the bag worms. I found the unlabeled bottle in the basement. My assumption was wrong as her trees died from the weed killer i sprayed on them. She just smiled and thought it was funny, when i told her what i had done. Your mom and Grand ma was the best and a great friend.

“ To the family of Ms. Lucile:
What a lovely lady. A role model for many, she will be truly missed. I worked under Ms. Lucile at the hospital and what a teacher she was. My deepest sympathy to all of you. I am so sorry I will not be able to attend the service I will be out of town. Keep all the memories in your hearts and she will be with you forever.

“ Dear Joyce and Stephanie and Families:

I had the pleasure of working under your mother and grandmother and it was a pleasure. She was a warm, loving person and always cared about others.

In later years she mentioned how much she loved her family. I hope that as the days go by it gets easier for you with pain from this loss. Remember all the wonderful times and memories and she will be in a lot of people's heart forever. We will be thinking of all of you.
