“ Marcy was a beautiful, smart , hilarious, and generous person. She always could make me laugh, and I loved the sound of her laughter so much. She was a wonderful mother and treated my son like her own when he was a young boy. I always appreciated and admired how she and Chris opened their warm home to the friends of their sons. Marcy was one of a kind, a truly brilliant spirit.

“ I met Marcy that first night through her brother in-law. Marcy welcomed me into her home that night as though we were old friends. She was so generous & sweet we had the best time! We rocked Led Zeppelin all night in the hot tub singing and had the time of our lives like we new each other forever. I've never laughed so much or had so much fun with anyone! The four of us had the best time together and I'll cherish those memories of her forever! She truly was a very funny, beautiful and special person...and she will be missed dearly!

“ The first time I met Marcy was a stressful time and she managed to ease the stress with her bubbly attitude that you just couldn't help to embrace. We worked together quite a bit after that during difficult times, hard times and she kept smiling. Marcy was beyond helpful to me personally as I went through my cancer journey. I swear that she helped me understand what was going on and what was going to happen more than any of my actual doctors. I will be forever grateful to have known you and will miss you.
