“ My younger brother, Michael Hubbard was the most gentle, kind hearted and thoughtful person I have ever known.. He was the baby of our family and he was loved so very much by his family. Mike never met a stranger. He was liked by everyone that met him.

Growing up he would get into something he was not suppose to do, then he would come home and tell Mom and Dad what he had done.. :) He would never keep a secret from us. There were times that he did not always have it so easy. He was bullied as a child, at times but he NEVER let that get him down. He was a very special, caring and loving man. He was a good Dad to his step son Brandyn and to Mikey. To my sister in law, stay strong and we are here for you.

He is now in heaven with his son, Mikey, who passed away almost four years ago. He never got over the loss.. So, hopefully they are playing ball and doing other things together.. :)

Fly with the Angels, Mike and enjoy Mikey like never before. We will see you some day!!!

I Love You with all my heart, you sister, Dotsy
