

Mrs. Myrna Stevens McCusker

February 11, 1937 - March 28, 2020

Myrna Stevens McCusker of Worton, MD died on March 28, 2020 at her home. She was 83.

She was born in Chester, PA on February 11, 1937 the daughter of the late Graham Thomas and Mabel Elliott Stevens. She was a 1955 graduate from Chestertown High School. She was the wife of the late Joseph Tilly McCusker.

Early in her career, Myrna worked in the medical profession and eventually with C & P Telephone until she moved to New York. She ultimately moved back to Chestertown and the Chester River where she spoiled her grandchildren. She was a proud member of AA and was clean and sober for 43 years. As a recovering alcoholic, she was also one of the pioneers and early leaders for developing resources and stronger support for alcohol and substance abuse in Kent and Queen Anne County, retiring from the Queen Ann County Health Systems in the early 90s. She retired to Naples, Florida and Maine for a bit, but her heart was for the Eastern Shore of Maryland to which she returned in 2007. Myrna had a passion for life and enjoyed painting, stained glass, especially shopping, spending time with her grandchildren, and traveling to remote locations such as Australia, Italy, Fiji, and Ireland.

She is survived by her son: Reyner "Steve" Meikle, Sr. of Worton, MD, a sister: Peggy Margaret Bozliniski of Poughkeepsie, NY, three grandchildren: Stephanie Robinson, Reyner Meikle, Jr., and James Meikle along with ten great grandchildren. She is also survived by a stepson Joseph "Jay" McCusker.

In lieu of flowers, contributions may be made in her memory to Alcoholics Anonymous through Midshore Intergroup, 114 N. Washington St., Suite 8, P. O. Box 643, Easton, MD 21601.

The Coronavirus has impacted our everyday lives and sadly it includes the celebration of life affecting friends and family of loved ones and their ability to gather and pay their respect in traditional ways.

Graveside services will be held privately.

“ Myrna and I had some wonderful times together. When she worked for Cory Motors and got her gas free we would siphon gas from her car to mine when there was that big gas shortage Back in 1973 (I think). And the times we would load her Sunday School class kids and my children into her station wagon and take them fishing out to the Cory's pond. I met her in the early 60's and we were friends to the end even though we didn't see each other that often in our later years. So many memories.

“ Steve and family,
I can't imagine the grief you must be feeling but please know you all are in our thoughts and prayers. I loved Aunt Myrna just like I loved my Gran. I hope they're up there somewhere watching over all of us.

Love,
Sarah
