Mr. Robert Earl Kent of Chestertown, MD passed away on March 3, 2019. Bob, the son of Oscar Avery Kent and Ethel Lee Biggers Kent, was born on January 11, 1925 in Mexico, MO. After graduating from Mexico High School in 1943, he enlisted in the U.S. Army Air Corps and trained as a pilot on multi-engine aircraft, including the B-24 bomber. He left the service in 1945 earning the rank of Second Lieutenant. Bob graduated from the University of Missouri in 1949 with a degree in Economics. While pursuing a master's degree in Economics and Government Policy at George Washington University in Washington, D.C. he accepted a position as a Special Agent for the Federal Bureau of Investigation (FBI) beginning a long and distinguished career. Bob was assigned to the Louisville field office, followed by stints in the Philadelphia and Kansas City offices where he worked on criminal investigations involving bank robberies, kidnappings and organized crime. In 1966 he became a Supervisor in the Special Investigative Division at FBI headquarters.
