“ Dear Family,

I am so sorry for your loss. Tabitha and I had a couple classes together a few years ago at Chesapeake College. This was before she was married, she was planning the wedding then and that was all she talked about. She was soooo happy! :) She was a great person and will be truly missed. “ Tabitha, you were only with our PCU family for a short time, but you did for sure make an impact on all of us. From the first day when you followed me around, a spirited happy chatterbox, up to the day before you left us when you offered to help my finace with anything, you touched everyone you came into contact with up there. You were good at keeping people happy, whether they were patients or staff, it didn't matter. You treated everyone with respect and a smile. I'll never forget when you showed me the picture of your smiling husband basically hugging a dead deer and how we all just laughed at the sight of it...there wasn't a day we knew you that someone didn't have something good to say about you. I hope you are at peace up in heaven, and please know that we miss you dearly down here.
