“ Toni was one of the greatest influences on my professional life as sign language interpreter. I'm forever grateful that she raised the bar for me. The priest at her funeral admonished us to not just remember but to imitate. I pray to imitate Toni in some small way.

Love & condolences to the entire family,

“ Christopher and Family,
I worked with Toni as a special educator and she was an excellent and competent psychologist, but my most vivid memory was as a parent when she was a member of the team diagnosing my young son. I'll never forget the home visit she made to our house. It was such a stressful time and Toni found a way to relieve some of the stress and put us at ease. She was a Godsend during this highly emotional time. May you feel God's presence during this most difficult of times and may His Peace and your treasured memories sustain you.

“ Toni was a magnificent sister in law, aunt, and friend to my family. One or many memories that I would like to share is in June of 2001 when she wrote a “Thank you letter to my in laws thanking them for raising such a remarkable son”. At that time, I was 9 months pregnant with my first child happy but missable. My mother in law was so touched by Toni’s lovely letter that she actually wanted to know where mine was. Now that it’s 17 years later, I totally agree with Toni’s letter, Pajak men were raised extraordinarily. Toni was supportive in the faith journey when I went through the RCIA because she had same reasons as I did going through the process. I will miss opening up my home to her when she visits Pittsburgh. I’m happy to know that she accomplishment so much in life, and that Hannah and Andrew are so much like her. Heaven has a new angel, and so do I. Prayers to Chris, Hannah and Andrew

“ Toni came into my life 23 years ago, and that was the day I hit the lottery, she was my angel, she helped me navigate the world of autism with my son and along the way became a dear friend. She was so loving and giving, truly one of the best people I have ever known, my heart is broken. I offer my sincere condolences to Chris, Hannah and Andrew, she loved you all so much, she talked about you so much I felt like I knew you, thanks for sharing her with me. Heaven gained an angel for sure. Forever in my heart,
Chris Branham

“ Toni was a wonderful sister-in-law, Aunt, mother, wife, and friend. She was an expert in her field of Educational Psychology. I remember countless times asking her for advice on students of mine, or even my own kids. She was the best at what she did. She will be remembered, loved, and cherished by my family and many more that she crossed paths with.

“ I first heard of this wonderful lady from my sister, the mother of a special needs child. Toni was such an asset to the special needs community. Then as a neighbor and fellow parishioner at St. Christopher's I got to know her a little myself. RIP sweet lady. Your suffering is over and your eternal life in Heaven has begun but I know your earthly family will miss you.
