“ My husband and I do not know this precious family who anticipated the birth and life of this beautiful baby, only to have her taken at such an innocent and young age, but there is good news...this ms. Abel will reside in our Heavenly Fathers presence forever and ever...so for your time of anticipation and joy you shared...it will be forever shared in Heaven, provided you as well can call out to God and thank Him for this precious but temporary gift He has given you!!! 🙏😊
