

Adam Earl "Bubba" Doran

December 3, 1987 - August 19, 2022

Adam Earl "Bubba" Doran passed away suddenly on August 19, 2022, at his home in Millington, MD. He was 34.

Adam was born in Baltimore, MD, on December 3, 1987. He was the son of Teana Hockman-Fairbank and Edward Doran.

He is survived by his mother, Teana; significant other Jessica; daughter Daisy, sisters Kaitlyn and Sylvia, nephew Stephen; niece Kendell; and aunts, uncles, and cousins. He is preceded in death by his father Edward; grandmother Sandra; and two grandfathers, Earl and Virgil.

Adam worked for McCarthy's tire service. He loved his job and the challenges that came with it. He often talked about how he enjoyed all of the farmers that he encountered. When Adam was not working, he spent his time with his daughter, Daisy. They enjoyed fishing, spending time with family members, and playing outside together. As Adam always said, "Daisy is my best friend" and if you knew Adam, you knew this was true.

Adam was dedicated to his family and friends. He would always lend a helping hand and be a shoulder to lean on. He never met a stranger and could spark up a conversation with anyone.

A Celebration of Life will be held on Saturday, August 27, 2022, 2:00 p.m. in Sudlersville, MD. Please contact Teana or Kaitlyn for the address.

“ Oh Adam It's been years since I've seen you and you were a little boy then, although your mom and I stayed in touch. My memory of you will always be the cute funny little guy who I would tease about being my boyfriend and you would cringe but always gave me a hug hello and goodbye. I know you will be missed by many , Rest In Peace Adam

“ Bubba I don't even know where to start! You were such a character and you just didn't care what folks thought of you. That was the great person I knew and loved like one of my own! I have lost a piece of my family and my son a brother and my daughter a big brother. Btw she will miss you calling her Boss Hog even though she hated it...lol. You were at the house all the time as a teenager and I will miss your random text or calls just to say how ya doing MAA now. 😊

I just still think it is not real. You were my grocery list maker and I learned to understand your language real quick. Bred was bread, buder was butter and Tylenol you got that one right! I remember fussing at you and Spencer about this or that. You guys would babysit Tiff and totally torture her. Grrr Yall loved my weekend breakfasts which became a quick habit formed for you boys! I loved every minute of it!! My family will miss you always my DERTY WHITE BOY. MA LOVES YOU FOREVER. ❤️

“ I taught Bubba in school when he was in the ninth grade. Over the years I found him to be a very personable individual. We became friends. Over the years I have often thought about him wondering how he was. Recently we connected on Facebook and it was like old times. He spoke of his daughter and desire to take over the tire business in the future. I will miss Bubba. In my opinion the world has lost a good person.
RIP my friend.
