

## Addyson Loren Tue

June 14, 2011 - January 11, 2012

Addyson Loren Tue peacefully passed away on January 11, 2012 at Mt. Washington Pediatrics Hospital. She was born only six short months ago on June 14, 2011. She is the beloved daughter of Eboni Dinelle Taylor and Paul Lorenzo Addison Tue, III both of Chestertown, MD. She is survived also by brothers, SyRus McGowan and Paul L. A. Tue, IV; sisters, Shakeira Wilson and Aniyah Tue all of Chestertown; maternal grandparents, Susan and Ronald Edmonds of Clinton, MD; paternal grandparents, Paul II and Renee Tue of Washington, D.C.; maternal great grandmother, Josephine "GG" Ramsey of Coraopolis, PA; paternal great grandparents, Paul Tue of Dover DE, and Frank and Sylvia Armstrong of Lanham, MD. She is also survived by two aunts, Schakina Moody of Gaithersburg, MD, and Shawne' Tue of Washington, D.C.; three uncles, Terrence Taylor of Clinton, MD, Pierre Tue of Chestertown, MD, and Tony Tue of Temple Hills, MD; her godfather, Louis "Sonny" Garner of Newark DE; godmother, Nakeeta Phillips of Columbia, MD, and a host of great aunts, great uncles and many, many cousins. She was preceded in death by her pop pop, the late, Charles Ramsey.

Addyson enjoyed watching movies, looking at herself in the mirror and clucking her tongue at her daddy! Even though sick, all of the doctors and nurses who came in contact with Addyson always commented on her bright eyes and how they sucked you in. She also was known for her temperamental attitude and was given the nickname Addy Tuedy by one of her nurses.

Services will be on Tuesday, January 17 at 11:00 am at Fellows, Helfenbein, and Newnam Funeral Home, where relatives and friends may call one hour prior at Fellows, Helfenbein, and Newnam Funeral Home, 130 Speer Road, Chestertown, MD 21620.

Interment will be held privately

“ Addy has been a part of my life from day 1...I was by her side in the ICU and holding your hand the day you were born, I kept telling you GranMa is here by your side. A void has been left in my Heart, for I had so many future plans. I prayed and fast to have you made well. God made you well, and have you in his Loving Arms. I prayed for the day that you would talk and walk. Well I know you are walking, talking and some more around Heaven All Day Long. My Prayers have been answered. And I Thank God for your Healing. I am sad that it was not done in your Earthly body, but I am rejoicing that God has a Better Plan for you. Your purpose here has been accomplished and you have returned Home with your Father. You have left us with Beautiful/Loving/Awesome Memories, that Awesome smile, and the following of your eyes looking at us all when we were with you, that I Shall Cherish for the rest of my life. Remember when i was holding you and broke down crying, and you looked up at me with a look in your eyes, as to say: What She Crying Bout Now!!! You Are a Miracle given to us by God. And our Angel Watching down on us All. I know Mom has you in her Loving Care, and she is gonna Spoil U in Heaven for us here on Earth. I Shall Get that chance to be with you Again and continue to Shower you with Love.... I can go on and on, but this space is limited, but i got all the memories in my Heart 4ever. But know that GranMa Sue misses you Addyson, I Love you Very Much and continue to Watch over us

“ I had the pleasure of taking care of Addy many times while she was in the hospital. Just one look at this precious baby girl and anybody who seen her, fell in love with her. Despite her limitations, she was always so vibrant. It truly saddens me to know that I will not be seeing her beautiful face when I go to work now, but I know that she is now smiling down on all of us. She is running and playing and will be watching over her family and those who loved her. I will never forget little Ms. Tue, the little girl who made such a deep impact on my heart.
