“ I have enjoyed spending time with Agnes since I has a child and enjoyed her sense of humor. I have enjoyed the summer barbeques, her visits with Frances Legg, and time together during Christmas. She made everyone's day. Through we have grown apart through the years, I cherish the visits that I have had with her while I was in Maryland. I will keep her in my memories. May she rest in peace.

“ With a seriousness of clergy, or with a belly laugh at humor, Agnes was a kind, reliable, honest, authentic person as anyone. We miss her dearly.
