“ The time Mrs. Agnes was with us at the Adult Day Care was time well spent. She brought us much laughter with her funny sayings but most of all her gift of love. She would always put her hand to my face and tell me how sweet I was which in turn she was the sweet one. Our deepest and sincere sympathy goes out to the family. You were so blessed! Hold on to the memories.

*Sorry it has taken so long for me to reply....Thank you so much for thinking of us. My Dad is learning to live his life without her even though she is with all of us everyday in memory. Dad is doing very well but gets a little lonely at times....he hasn't changed much still full of sarcasm! lol*
