“ *Koni, Judy, Chris and Butch, I just found out about your mom's passing. I am so deeply sorry. Koni, you did everything you could, just remember that. I have such wonderful memories of the house in Kennedyville and also of riding with all of you and Trudy in the car. Oh, so much fun. Your mom was always so upbeat and happy. That is how I remember her.*

The last time I saw your mom, I did not know her and she was being driven around by a handsome young man. I was walking two large Black Briards and this car pulled up to the curb on High Street in Chestertown to see the dogs. I talked to her and she petted the dogs. I did not even recognize her and I knew I should know her. Well, of course later on I remembered. Oh how I wish I recognized her at the time. She loved those big dogs. ;) Love and prayers to all of you.
