“ Dad passed away the end of September, and I just happened to check the Helfenbein web site this AM. I just saw where Mrs. Quill passed away. My mom, Laretta Rhodes, is a resident on Homestead, and I often sat in the dining hall with Mrs. Quill at the same table. She was such a neat little lady, always so perky and ready for conversation. I know she was a loving wife and very special mom...you can just see that in her. Please accept our sympathy; it is so hard to lose a parent, and i hope memories help to console you.

Sincerely,

Peggy Rhodes Stanley##imported-begin##Peggy Rhodes Stanley##imported-end##

“ Nana,

Many people are not as fortunate as I have been in the fact that I got to know and spend time with someone as caring and compassionate as you were throughout my childhood. Even as I progressed into a young adult, you always managed to put a smile on my face at family gatherings. You were truly a very special person who touched many lives with your warm personality. You will be missed by many people who cherished you deeply. However, we can only take comfort in the fact that you are at peace in a much better place now. You will continue to be in my thoughts and prayers. I love you Nana.##imported-begin##John Schools##imported-end##

“ Beloved "2" Nana-

I know that you felt the love Mom, Dad and the rest of the family had around you as you moved on to a better place. Know that you can finally have the "peace of mind" that you so desired throughout your life as you move to your final resting place. You will forever be loved and missed. Your "Do Do Do's" still play over for me everyday and it is one of the best parts of my day!!!

I love you!

“ To Mrs. Quill's family: My heartfelt sympathy and prayers go to you and your family in the passing of Ms. Quill. My father was in Corsica Hills from 2000 to 2004 and that is when I met Ms. Quill when she was in the room with Mrs. Carlson. I would walk her down the hall and she would always want some of my homemade cookies that I took to the Nursing Home. We know you have many fond memories that will live on in your hearts forever.
