“ Albert was my mother's (Audrey Reynolds Beck) first cousin. I recall his love for beagles. Many memories at his parents house on Cannon Street. I would often see him at Dill's Auction between Sandtown and Woodside DE. My prayers to his family. RIP Albert. With sympathy, Doris Lee Greiner

Mr Albert was a hardworking man who enjoyed ice cream and his animals. No matter how he felt or what was going on her always got up and moved around, often climbing trees or getting on top of his roof. Hopefully you can rest in peace friend.
