“ I am deeply saddened by the awful news. I still see AD in my memories of those spring campouts years ago with his matching hat to Dean's, and his delightful laughter. Though I am far away now physically, I am with you in spirit.

Bless you,

“ TWIN PONDS KENNELS
PATTY & Danny Waltman

To Nina & Dean Burt, you raised a son we loved, too.

Our hearts are broken, but we know we will see A.D. again in Heaven. A.D. would come out of his way to bring Big Buddy & Lil' Buddy to see us. He sent us lots of pictures of both of them hunting geese & ducks. A.D. sent us pictures of Big Buddy's 16th birthday retrieving ducks because he knew that made Buddy happy. A. D. brought Buddy to see us one last time a couple months before he passed away. We know what A.D. went through losing Buddy because we owned his sire, Cody. God needed A.D. in Heaven & so did Big Buddy. He did an excellent job training Big Buddy & Lil' Buddy. They loved to hunt & they sure loved A.D. We love you A.D. & we miss you so very much. When people pick their puppies up we tell them you are family now; but, A. D. you were more like a son. We will miss your big smile & visits with your fox red labs you were so proud of & loved so very much. Nina & Dean May God be with you both & help heal your hearts & the pain you are going through. A .D. will want us to keep on smiling! Patty & Danny

“ AD was a quiet neighbor. I know his dog was his buddy as I saw the two of them waking and enjoying each other's company as they walked down the street. He and Jerry, another neighbor, enjoyed sharing their love of nature and plants.

“ On Saturday afternoon, A.D. noticed that Diane and I have a purple-leaf redbud tree and came across the street to tell me that his had been infested by ambrosia beetles. He took me back to his yard to show me what they look like, and what he was doing to eradicate the beetles. It's just the kind of man he was. He was always a special person to me because of his parents and grandparents, and he was a man that both of you, Charlie, and Becky could be proud of.

There simply are no words to adequately express our sorrow for the loss of your son and our neighbor.

Got to know AD last few years and we both loved the same thing, going out in the gulf stream and looking for big fish. He gave my son Rom IV the opportunity to run his boat and spend time fishing together and he cherished every day he spent fishing with AD. He would always call and tell me all about the fish they caught and how much fun it was fishing with AD. It brought back good memories because that was the boat I first brought to Hatteras to run charters on. AD came over and had dinner with us on a couple of occasions and what I would like to say to Mom and Dad is you did a great job. He was a first class young man and we are going to miss him around Hatteras. Elaine and I will say some prayers for you during these sad times.
