“ Rest in Peace My Dear Grandmother (babusia) Alexandra (Ryzkov  Trutovsky) Trutowkska.

I will forever treasure my memories of our far too few visits, which we finally tried to have after my father untimely death...

As other things in life... one doesn't realize what you had, until you've lost it...and just like with my father, I long for the day we will meet once again... for I wish we had continued our (interrupted) conversation...that special one in your bedroom, during my last visit with you in your home. The trip I took so you could meet your great-granddaughter, just a month after my father's funeral.

ох...  твоя внучка та внуки...
