“ To Rick,

*Here's to a guy who always saw humor at just the right time to make me laugh at my own silly notions of how things "ought" to be.*

*You followed the beat of your own drum, accepted the price of your own unique views, and kept the rest of us aware of our own folly, whenever we thought ourselves able to influence your chosen path.*

*Rick, you were surely one of a kind, and I will miss you, recall all the laughs we shared, and regret forever that I sometimes didn't "get it" that it was always perfect, for you, just as it was.*

*Love,*

“ My Dear Rick,

*Where or how to I begin. You have been so much a part of my life. With all my heart I wished I could have changed things for you, but tired as I did, I failed to reach you. Words cannot begin to express the journey that we took together, in good times and in bad. I only hope that you knew that you were loved. I carry your memory with me each and every day. I wish I could have saved you from all your pain and suffering, but now, to save myself, I have to believe that you are in a better place. I will never forget you.*
