“ We both always had so much love and respect for Sis. She welcomed Jennifer into her family, 33 years ago, with open arms and always delivered warm hugs whenever we visited her. She was a beautiful and loving person and an excellent mother, grandmother and great grandmother - a supreme role model. She had a great sense of humor and a twinkle in her eye, especially when she giggled that distinctive Gilmer giggle. Bill's last time with her was very special. They sat on the couch holding hands for a long time and he talks about that experience often, with great sentiment in his heart. We will always cherish her and especially that blessed last moment.

Rest in Peace, Mom...

LOVE, Bill (Brother) and Jennifer Gilmer
