“ Sending love to the Harris family. She was one of a kind. Having worked with her in my youth and then as I matured into adult hood in the banking world. I always enjoyed seeing her and catching up with Mrs. Pat. She had a way of making you feel like you were the most important person in the room. She was a blessing to all that knew her.

To the family: What a great lady that has left this earth, but her legacy will surely live on. Pat was a person who loved her family, friends and those she didn't even know. She was loved by so many and she will never be forgotten. Her work on earth is done, but she will have so much in heaven to do and show people how much they are loved. God Bless everyone at this time. Blessings, Gene and Lynda Palmatary
