“ *Bobby, I am so sorry. I know that Alice was the love of your life. I think the last time I saw you both was at the foot doctor in town. Since I moved to the Baltimore area I don't get to see old friends much. I will miss running into the two of you when I am in town. Once again, so sorry for your loss. Heaven has gained another angel in the choir. Take care of yourself.*

“ Bobby, I was so sad to hear about Alice. She was always so happy and always had a smile on her face. The last time I saw her was in Physical Therapy and she was still so upbeat. You were always so gentle and attentive to her. Please know you and your family are in my thoughts and prayers. Heaven has gained a sweet Angel.
