

Alisa Dee Higgs

October 12, 1963 - December 21, 2022

Alisa Dee Higgs, beloved mother, daughter, sister, and friend entered eternal life on December 21st, 2022 at 59 years old. Alisa is survived by her three sons Rutger West Souder, Ruston William Souder, and River Wye Souder, stepson Wayne Higgs, mother Sophie Dell Underwood, twin sister Kasey Dee Underwood-Clark, as well as several nieces, nephews, and countless other family members. Alisa was predeceased by her father Harry Lee Underwood and husband Bryan Higgs.

Alisa was born in Germany on October 12th, 1963 to Sophie Dell and the late Harry Lee Underwood, while he was serving in the U.S. Air Force. She was born minutes before her twin sister Kasey Underwood-Clark, a friend she would have for life. Alisa and Kasey were inseparable. Several months after their birth, the family settled in Annapolis, MD where Alisa would later graduate from Annapolis High School.

After graduation, Alisa continued her education at Anne Arundel Community College. For several years thereafter, she pursued work in telecommunications before finding her passion—her career in hospitality. With her strong work ethic and tireless dedication, she quickly rose to management where she thrived. Alisa was dedicated to her work, but nothing mattered more to her than her children — Rutger, Ruston, and River Souder (with her first husband, Rudy Souder).

Alisa left a lasting impression on each restaurant. She embodied passion, drive, and efficiency. She was a leader, earning her title as General Manager of Blackwall Barn & Lodge in Gambrills, MD. Alisa gave her heart and soul to running a successful restaurant and looked after her staff as if they were her own. She was much more than a manager; she was a familiar face, a confidant, and everyone's greatest supporter. Those who have worked alongside her, or have had the pleasure to know her, will always be comforted by her affirmations.

The family is planning a Memorial Service to take place at Blackwall Barn & Lodge in Gambrills, MD on January 10, 2023, from 1- 4 pm.
