To the Sissom family again I send my condolences, Allan started with us from high school and took so much pride in his work, pushed to improve his skills and succeeded at that. My thoughts and prayers are with you all, I'm sure he is smiling down and watching over you all, the bond, the love you as a family have is obvious to all that know you. Though there are no words, I will pray God be with you and comfort you through this tragedy. That he will give you strength and carry you when you are unable to do it alone. I'm glad to have known Allan for the years we worked together, he will truly be missed by all. Again prayers and thoughts are with you. God bless and be with you. RIP Allan, it's never goodbye just see you later.
