“ To Al's family and children,
I just received news of Al's death last evening - My deepest sympathy and caring thoughts are with you - Al and his friend Charlie Hart rented our summer cottage at Sandgates many years ago, and became one my dearest friends - He taught my children so much about fishing and crabbing, and respect for the river environment. He was truly a kind and gentle soul - I will always remember him with great fondness - Mary Jane Wenke###imported-begin###Mary Jane Wenke###imported-end###

“ Please accept our sincerest condolences for the loss of your father, Allen. When I started working at Pax, your father became one of my first friends. We worked in the same Branch. Your father and I were both single, so he introduced me to the local area and his home and family on the Eastern Shore. We played golf and softball together. Once I married my wife, Pat, she became his friend also. Al would often ask Pat her opinion on his different girlfriends. He was always kind, caring and generous. I know losing a father is very difficult, I recently loss my father. Although it's difficult today to see beyond the sorrow, but looking back in your memories of him will help comfort you tomorrow.###imported-begin###Dennis and Pat DeCarlo###imported-end###

“ *I am very saddend by the passing of brother "country Al". We shared so many fond memories during out SAE days. Al was one of the few "Baltimore Fans" at the fraternity house as we often talked and bragged about the O's and Colts of the early 70's. We will surely miss him at the tailgate parties. “ Allen was one of my dearest and best friends for the past 30 years. He was always so very nice, considerate, and helpful to me. We had a lot of good times together in our younger years - water skiing, crabbing, and partying with friends. I have very fond memories of my visit to the family farm long ago. I will miss him greatly. My deepest sympathies to Mr. Cohey, Margaret, Mike, Allen III, Sarahann, Shariann, and especially Wilson, my Godson.##imported-begin##Angie Baylis##imported-end##

“ I am saddened to hear about Country passing. I was a fraternity brother of his at Maryland. I first met Country when he was working the night desk at my dorm; we had many late night talks while he was "working". He invited me to my first party at SAE and the rest is history. Al is with God now, and hopefully that will help his family through this difficult time.

“ My deepest condolences to Al's family. Al was one of the nicest guys I ever knew, very kind & generous, down-to-earth, and always ready to share a laugh. Al and I were fraternity brothers; and I can still visualize Al getting out of his 'hot' red/orange sports-stockcar parked behind the fraternity house, which he loved to drive. I'm going to really miss seeing you 'Country' at the Terp football games.##imported-begin##Steve Auer##imported-end##
