“ You will be missed by many and so you should you touched so many lives in your life. There will never be another Benny Thompson. You left your mark in one way or the other on all three sons. Please give all the family a hug for me. Tell them they are missed as much as you will be. "So Walk Across Texas" one more time. You are loved by many no one will ever take your place you were one of a kind. You loved making people laugh and you new everyone. God bless you and my love goes with you.
