“ *Very sad to hear of Mr. Corbin's passing. He loved coaching our baseball team and we loved playing for him. I really enjoyed his history class and will never forget "read and weep".*

“ *Dear Evelyn and Corbin family members,*

Ken and I are saddened with the loss of Pete. We recall lovely times together at Church and the Grace Getaway gatherings. Although Pete was quiet, we realize he was generous with hospitality and smiles even as his hearing made it a challenge. Please accept our condolences and prayers as you all grieve and move forward. Peace.

“ Mr. Corbin was super teacher, mentor and friend. I will never forget how we would congregate in his classroom PRE homeroom to socialize with our classmates. When the homeroom bell rang we sprinted to our respective homerooms for morning announcements. Mr. Corbin's "Read it and Weep exams" were as memorable as Mr. Jones "All busses are in and running on time":

“*Mr. Corbin or Coach Corbin was one of those special teachers who touched the hearts and minds of his students with his humor, goodwill, and humanistic teaching style. He challenged us and encouraged us! As a coach he had our back whether winning or losing and always had encouraging comments and a positive attitude. Great memories at Howard High School because of him!*

“*Pete was such a great guy that he will be missed by many people throughout the community. His service on the school board and his volunteer activities with youth baseball reflected a genuine commitment to providing guidance to the next generation. I joined the Elks because Pete was the Exalted Ruler. He had a way of making you want to be a part of things.*
My thoughts and prayers are with Evelyn and the family.
