“ Oh Alvina....I've always missed you. Even as time and circumstances changed, my admiration for you had never changed. You were a force to be reckoned with, I always admired that about you. Rarely did you share the sparkle in your eyes but when you did, you could light up a room. Your funny laugh was a joy to hear. Your strength as a woman and single parent was unwavering. The same as all your sisters, it runs in the family. :) I hope you're now at peace and you find your way to visit me. Much love, Serena

“ Alvina was so generous with me. Gave me many of her old clothes, curtains, dolls and ornaments. She was always sweet and kind. Never accept payment or ask anything in return. My one regret is that I was never able to do her last wish which was to help her take down her old curtains and replace it with something new that she would like to buy. I will always owe her a debt of gratitude. Rest in Peace my friend. ~ Gusela White

“ *I worked with Alvina in the City Manager’s Office at Bowie from 2001 until 2014. I can’t stress enough how helpful she was to me over the years. We shared a love of Oldies Music (Elvis!) and occasionally broke into hand-dance when a good song was on her radio (and no one was watching!)
I have nothing but fond memories of my friend Alvina.
