Amanda was one of the first people I met when I started at Anne Arundel County and I must say, her spirit was one of the most kindred souls I have ever met. Her humor was immaculate and her jokes were right on time. She always had the best stories (and impersonations.) She will be greatly missed. Thank you for being a great teacher- Your Field Trainee

“ I will always remember Amanda from her high school days with band and chorus. She had the greatest laugh and beautiful smile. And she was always so upbeat and happy. My husband also commented that she was one of his favorite kids there, maybe because she endeared him with the name of “Mr. JUDY”, not Mr. Don!!! My heart breaks for her family and friends.

First, I would like to give my condolences to Amanda's family. I am truly going to miss Amanda. She brought the sunshine with her when she walked into a room with her smile and bubbly personality. She was compassionate about the services she provided to others. Amanda was a great cook, very crafty, and a hard worker. Amanda was definitely devoted to her family whom she loved so dearly. Until we meet again my friend, Rest In Eternal Peace.

I would like to offer my deepest condolences to Amanda's family and all of those whose lives she touched. I will always remember her for her loud, funny and bubbly personality and I can't forget how good her breakfast bakes were. I honestly looked forward to hearing her phone conversations every morning...they were sure to make everyone in the office laugh. I feel honored to have experienced her and work closely with her over the years. Her family and many more were extremely blessed to have her. I know how close she was with her family and I pray that the lord watches over you all and comforts you all during this time.

My thoughts and prayers are with Amanda's family. She was truly a ray of sunshine everywhere she went. Even on days that she did not feel her best, she would find a way to smile and encourage others. Her smile and laugh were infectious and I will cherish the memories we shared for the rest of my life.
