“ Timmy and Andy, I just wanted to tell you that I am truly great full to have known you and your father. Your Dad took me in when I really needed it, and some of the best memories I have our from living at your house. From Betsy, and Mitzy, to your Dad's cooking and his kind heart. I just wanted you to know that I know how you feel and it will get better. I lost my little sister in November and it has been the hardest thing I have been through. You will think about him everyday for the rest of your life, but the pain slowly starts to receed. Just keep your faith in God and you will see him again. I have no doubt he is in Heaven.##imported-begin##Jessica Durant##imported-end##

“ Dear Louise & family,
Words seem so inadequate at a time like this, but you are and will remain in our thoughts and prayers. I first met Andy at one of your mother's ballet recitals and always enjoyed talking with him at her get-togethers over the past several years. Yours is the greatest loss, but he'll truly be missed by all who have known him. May God's love give you strength and bring you peace.
