“ Lloyd & Deidre,

Earl & I would like to express our deepest sympathy. God must have needed another angel so he took her home and she is at peace now. We are sure she will still be watching over you.

She was a wonderful person, I will never forget the first time I met her at Bodkin, it was a Monday morning after Opening Weekend and I was in the kitchen cleaning up some and she walked in and started talking and started helping me clean. That became a very special day to me because after getting to know her, I realized that she was not a person who just walked up and started talking to someone she didn't know. She and Lloyd were always there to help Earl and I whenever we needed them. The funniest time was when we decided to do Crab Cakes for the Christmas Dinner. We were picking through 38 lbs. of crab meat and after so many hours she said I don't know if all of the shells are gone, my hands are too numb to tell. Everyone loved the dinner and we were all exhausted but we sure had fun and laughed about it and said we were not doing another Crab Cake Dinner for a long time. I also want to say Thank you to her for sharing you Deidra, with Earl & I and letting you be Earl's Princess you did such a wonderful job. We will keep you in our prayers.
