The Quintals so kindly took me to Florida with them in 1970 when I was not comfortable going to my home for Xmas. I was a teen and college friend of their daughter, Renee. I lost contact with Renee a while after that. As I am downsizing now I came across Renee and Don's wedding invitation, beautiful. I see reading Don's life with Renee seems to have been full of such beauty and art. I am forever grateful for the warm care and gifts of the family.
