“ My deepest sympathy to Roland and family. Anita was a fine LADY and she will be missed. Many years ago we belonged to a card club in the neighborhood and we became friends at that time. I'll never forget the day she came to our home and assisted our little poodle deliver six precious puppies. It was quite an experience for me but, Anita knew just what and how to handle the situaton. I will never forget her.##imported-begin##Janet Wolf##imported-end##

“ I had the pleasure of working with Anita in many programs. As a nurse at the Dept of Health I supervised the medical needs of children in various programs. Anita was so much fun, a beautiful smile and oh how she loved all of her children! She truly was a special lady. My thoughts and prayers are with the family during this sad time.##imported-begin##Margaret Cohey Kaufman##imported-end##

“ We are deeply saddened by Mrs. Anita's passing. We will miss her so much! One thing we will always have Colette is our memories, It was never a dull moment when you and I were around your mom and we would say or do something really stupid and she would just laugh and say " I swear, you two are so crazy". Our thoughts and prayers go out to all of you and please know that if you need anything at all, we are here for you.##imported-begin##Michele & Chad Stringer##imported-end##
