“ Dear Trish, Jackie and family,
We are so sorry to hear about Aunt Ann passing. I have such fond memories of when ya'll lived in Newport News and I would come down there in the summer time. Also when ya'll came to see us in Oxford was special too. She is now with all the loved ones of her life especially Uncle Bill. I wish my wife could have met her. It was always such a pleasure calling on Xmas and saying hi to her and letting her know my golf handicap was coming down. LOL I can still remember her and Uncle Bill letting me hit all the balls i wanted into the pond. I should have listened to her and took golf up much earlier but you all know how hard headed i was. She will be missed greatly. We look forward to seeing you sometime next year once I retire. Again our heartfelt condolences and love. Jim & Cat Forrest

“ Dear Jackie, Trisha and Family,

I am so sorry about Aunt Annie, She was a wonderful person and I know she will be missed very much.

I will never forget visiting her in Newport News and that beautiful pond out back, but we were always told don't you get near it you will fall in !!!

We would always visit her or give her a call when we were in Myrtle Beach each summer and we had such of a great time.

I know Uncle Bill was glad to have her by his side again, they were the cutest couple!!!

I am sorry I can't be with you all but you will definitely be our prayers.

Please stop by and see us if you want on your way back home!!!

*Love,
Lorraine and Pat*

“ *Trish and Jackie, your Mom was so lucky to have you guys as daughters. You took such great care of her! Aunt Annie was such a lucky woman! I remember when we would come to your home in Virginia and count the rail cars as they went by . 167 was the most I can remember. Fishing in her pond for turtles also sticks in my mind.*

My Mom often spoke of the trip she and your Dad took he on to the Caymans . She sure was a wonderful big sister.

I'm sure now that she will be working on her golf game, searching for another "Double Eagle".

Love to your family,

RB, Helen, Justin, Corey, Jackson and Brennon

“ *It was 1969 and I was a caddy for Aunt Ann and a few of her girl friends in Newport News. I remember 2 things, her game was good and her cough was hear across the fairways. I never thought that she would live a long happy life. Bless her heart.*

Aunt Ann, thanks for the \$57, you never forgot. With loving thoughts, Jeff Patti Devon, Kelsie Colin
