“ I had the pleasure of being a caretaker of Anne the last several years. It than turned into a great friendship and me becoming like part of the family. Steven and Tommie as well treated me like it..The love she had for her Children was pure. Anne was a simple type of person but someone who taught me wisdom and strength. The knowledge she had was intriguing and she told a story every little road trip we took. Her heart was made of gold and I am truly going to miss her. My heart is heavy tho I know it was her time. I thank God for whatever the reason was that we cross path that I will always carry a little piece of her with me. She was a wonderful kind hearted person that I loved very much and will always.
