“ *Norma,
Mary Ann and I would like to send our condolences to you, Kenny, Sallie, and each member of your family at the sad passing of your Mom. Ms. Annice and your late Dad (Mr. Norman) were close friends to our Mom and Dad. Jay and Ada always enjoyed the mutual visits they had with each other. I remember your Mom as a wonderful, amicale and very warm person always engaging in meaningful relationships with us young folks. Of course my greatest memories of her were those as a Sunday School Teacher when I was a teenager and young adult. Everone sitting under her teaching surely received the best guidance on how to get the best out of life and give the best to others. The Lord surely provided a great and rewarding life for both of our parents. We will keep each of you in our prayers.##imported-begin##Don and Barbara Cober; Mary Ann and Mace Miller##imported-end##*

“ *Sallie and family:*

We are so sorry for your loss. I received your card and could not believe when I saw your Mom's obit so soon afterward. We will be thinking about you. I remember the stories about the refugee family living with your Mom and Dad. They did not know the word for couch, and referred to it as a "Big Chair"! Funny, looking through old photos I stumbled across some photos of the girls with Jason. It's been a long friendship. I see Budgie at Dr. Bucks every year! Please convey our condolences to the rest of your family. Sincerely, Wheeler and Holly##imported-begin##Wheeler and Holly Baker##imported-end##
