“ *Mr. Baird and family- Our community has lost a wonderful lady. Be reassured she has gained eternal life. When I first began working at the Dept. of Aging about 9 years ago, Mrs. Baird, on more than one occassion, walked me through many questions regarding issues dealing with the Dept. of Social Services and the elderly citizens of our County. She always did so with so much patience and in such a pleasant, yet, professional manner. I could always hear her smile across the phone line. May all your wonderful memories help you through this difficult tme.*

“ Jay and family: There are not enough words to express our thoughts to you in the loss of such a valued friend. What a strong person she was and what we learned from her. We surely had many good times that will always remain in our hearts and she will never be forgotten. Her presence in the community and church will be missed, but know that she is with God and looking down on us. Again, our prayers and thoughts are with you and remember to appreciate your treasures, faith, family and friends, they are the most valuable and yet are unavailable for purchase. God Bless.
