

Ashley Renee Perotti

June 12, 1985 - July 12, 2020

You don't HAVE a soul, you ARE a soul. You have a body.

Beyond Ashley's beauty, she was fiercely independent, quick-witted, strong-willed, talented, and intelligent. She attended schools in Maryland and Virginia until she graduated from Woodbridge Senior High School in Virginia.

Ashley then went on to study at USF and The Art Institute in Tampa, FL, where her career in modeling began with fashion shows at the Institute. Years later, she furthered her education when she moved from Miami to New York City, taking business classes at Fashion Institute of Technology. She used that knowledge and her love of the fashion industry to design a high-end lingerie line.

Ashley was known for her love of travel, from Miami to LA, New York to Thailand, Greece to Rome and so many other adventures, making friends around the globe. During her world travels, she fell in love with Ibiza, and returned there every summer with friends.

She was preceded in death by her grandfather, Francis Perotti, and her half-siblings, Garen and Amber.

She is survived by her mother Angelena, and her fiancé Henry; half-brother, Brandon Duduk; grandmothers, Jennifer (Joseph) Boyer and Catherine

Ramsey; aunt, Jane (Steve) Cropper; step-siblings, Ryan (Chelsea) Ramsey, Megan Ramsey; and her beloved dog, Roxy.

Memorial services will be held on August 5, 2020, at 6 p.m. at Fellows, Helfenbein, and Newnam Funeral Home, 130 Speer Road, where relatives and friends may call from 2-4 p.m. A reception will be held in the Dogwood Reception Center at the funeral home from 4 p.m. - 6 p.m.

“ Beautiful babe, I’ll always remember you as the most confident, smart, light working spirit I knew you as. You always lit up any room you walked into and it was always so much fun to be around you and share your energy. I’ll always remember the last night I saw you, so full of life and happiness, it was like you finally got everything planned out and ready for your next chapter but plans can change and it hurts that it changed this way. You always brought people together and no matter what had everyone’s back, so much good happened to me because of the little things you would do for me. No more sadness, no more pain. You’re free babe. Fly high. Until we see each other again. Love ya girl.

“ *My Precious Granddaughter*

*Ashley the moment that I heard that you died my heart was torn in two,
one side filled with heartache the other died with you.*

*I have always treasured the time I spent with you, it didn't matter so much what we did as long as we put God first in our day.
The rest was filled with love and fun.*

*Remembering you is easy, I do it every day, but missing you is heartache
that will never go away, I hold you tightly within my heart and there you
shall remain until the joyous day arrives that we will meet again in the
'Kingdom of Jesus'. For you my beloved there is no more sorrow,
no more tears. You are overflowing with love and Eternal Joy,
Heavenly Bliss. From my Heart to your Heart with all my love.
Farwell my darling granddaughter love, Grandma 'Perotti' Boyer*
