“ Dear Sharon,
Working with Ashley was a true joy for me as you know. I loved her smiles and her 'voice' - and I could also see how she was loved by so many. Although my time in the county was short, being with Ashley was one of the highlights of my time teaching there... Ashley, your family, and caregivers are all in my thoughts and prayers. She will always have a special place in my heart...

Love,

“ *Kim, Sharon & Family,*

No one can ever understand the loss of a child at any age, or any reasons why things happen. You know in your hearts that you gave Ashley all of the love and support she needed during her struggled life here. Once again, she's perfect as an angel and away from the illnesses and pains of what she has had. May you find comfort and love and support from your family and friends to help you through these times. With much love.##imported-begin##Brenda, Craig & Tylar Spence##imported-end##
