“ Chris, Ben Ethan & Family,
I don't know that anything said will ever heal the pain you feel. I have prayed for god to give you strength to go on. Loosing a child is not supposed to happen. I feel deeply that god takes young ones to spare them from something. Aubrey was very loved and looking at her video she experienced many things in life. She always had a smile and that in itself makes me know she had a great life with no regrets.

“ God sent an angel to earth, a job so well done by her as is evident in the love and outpouring of so many lives she touched with her short time here on earth. We can never understand why things like this happen but God knows and Aubrey does now too...She will continue to smile down on us with her bright eyes and warm heart that she shared with so many. “ Chris, Ben, and Ethan, I can only imagine what you are going through right now. A beautiful, shining star has gone out of your lives. My heart is breaking for you all. I wanted you to know just how much Aubrey meant to me. She was so much fun to be around with her bright smile and her great sense of humor. She made me smile every time we passed in the hallway at KCHS. She will always have a special place in my heart. All my best, Nina##imported-begin##Nina Newlin##imported-end##

“ It's hard for us to understand that Aubrey is gone. We were always delighted to see her around KC - took us back to the days when you lived practically next door and she spent a lot of time at our house. She was the most adorable little girl and a beautiful young woman. We are grateful that she and Charlie were friends as older children. We can not imagine your pain, but we offer you our prayers and thoughts - we will never forget Aubrey and your family's kindness to us. “ *The Cord*

*We are connected,
My child and I, by
An invisible cord
Not seen by the eye.*

*It's not like the cord
That connects us 'til birth
This cord can't been seen
By any on Earth.*

*This cord does it's work
Right from the start.
It binds us together
Attached to my heart.*

*I know that it's there
Though no one can see
The invisible cord
From my child to me.*

*The strength of this cord
Is hard to describe.
It can't be destroyed
It can't be denied.*

*It's stronger than any cord
Man could create
It withstands the test
Can hold any weight.*

*And though you are gone,
Though you're not here with me,
The cord is still there
But no one can see.*

*It pulls at my heart
I am bruised...I am sore,
But this cord is my lifeline
As never before.*

*I am thankful that God
Connects us this way
A mother and child
Death can't take it away!*
