“ I have many wonderful memories of Jimmy and Audrey for as long as I can remember. My parents, Dot and Bill Frampton were devoted friends to them and shared many vacations together with many memories from Prospect Ave. as I do remember also and their daughter and grandchildren. No better people than Audrey and Jimmy and I know she is welcomed to Heaven by all their family and dear friends with open arms as the family will never get over her leaving us here on earth, there is comfort as I have found from loosing mine that we will all be together again some day forever and ever, Amen...
