

Audrie Michele Knott

November 5, 1967 - December 9, 2025

Audrie (Rash) Knott, 58, of Easton, Maryland, passed away surrounded by the people she loved most.

Audrie was a devoted mom of two and a proud grandmother whose life was defined by caring for others. She earned her LPN in 1985 and began her career in elder care, where her compassion came as naturally as breathing. For the last 27 years, she was a cherished member of Shore Pediatrics, tending to countless children with the steady warmth, humor, and gentleness that made her unforgettable. Patients grew up with her; families trusted her; coworkers loved her — and she loved them right back.

Outside of work, Audrie filled her life with the things that made her happiest. She was an 80s hair-band girl at heart, always up for good music, good friends, and good fun. She loved days at the beach, nights at MR Ducks or The Jetty, and any moment spent with her family. Her circle was wide, and if you were in it, you knew it — she made people feel seen, welcomed, and loved.

Audrie is survived by her husband, Calvin; her daughter Rachel; her son Matthew and his wife Amber; and her grandchildren Paris, James, Tucker, and Hadley Rose, who lit up her world. She is also survived by her mother Lee, her brother JP and his partner Krystal, along with her beloved nieces and nephews who always held a special place in her heart. She leaves behind her lifelong friends Lisa Kauffman and Amy Florez, who were more like sisters. She was preceded in death by her father, Jimmy.

Audrie leaves behind a legacy of kindness, loyalty, and strength — and the countless lives she touched simply by being exactly who she was.

The family will receive guests and friends on Saturday, December 13, 2025, from 10am until 11am at Fellows, Helfenbein & Newnam Funeral Home, Easton, MD. A memorial service will immediately follow at the funeral home at 11am.

“ I knew Audrie originally as my customer for about 22 years as she was my clinical lead for vaccines. She quickly became a friend over the years. She is so caring .She moonlighted at heartfields assisted living and looked after my Dad and brightened his day. She was the most positive beautiful person and kept a smile during her entire health situation. I will miss her greatly. 🙏 Jayne
