“ You are a best friend and have always been like a sister to me. You've made an impact on my life by encouraging me to speak my mind to everyone. "Don't let people walk all over you. Speak your mind and let them know how you feel." You are the best and I will never ever forget you. Love, Johnna##imported-begin##Judith##imported-end##

“ I remember Gussie from Worton Elem. days with the girls she was always around to lend a helping hand and to give us a good laugh. She was a devoted mom to her children and when Alex came along, that only boy we used to tell her when she came in to stop spoiling Alex ,she would laugh and say 'I can't help it that's my baby'. May she rest in peace, Death is a Journey we all must take some sooner than others but if we live right we will meet her one day. To the kids if you ever need a friend I'm here for you. Weeping may endure for a night but joy will come in the morning.##imported-begin##Denise##imported-end##

“ Aunt Gussie, i know i've told you i missed you so much and how i want to see you but now i have a chance to talk to you from above. I found all the pictures.. everytime i look at them, it brings back memories.. i will never forget you and the times we spent together when i was baby. You were everything that every family could ask for. Like i said, No matter how far i am from the family, i'm always going to think about them and be there.. God Bless your soul. I love you. Rest in peace.##imported-begin##Halley##imported-end##
