“ We will miss you Krissy! We all had such a great time playing together as kids when we visited Maryland--those are really some of the best memories of my childhood. Goodbye cousin, I hope the next life is a happier one. I wish I could be there for the memorial but my love and thoughts go out to my family there in this very difficult time, especially Kyle.

“ I remember driving to Boston and being so impressed with how well Krissy sang along to the songs on the radio - she had such a powerful voice. She taught me the macarena when I babysat Kyle, and used to let us have all the ice pops we wanted on hot summer days. I will keep you in my thoughts, always.
