

Ava Kelley Honeycutt

May 17, 1931 - July 2, 2021

Ava Kelley Honeycutt, 90, passed away peacefully at her home, surrounded by her loved ones on July 2, 2021. She was born May 17, 1931, on Kent Island, beloved daughter of the late Hilary DeWitt Kelley and Hilda Tolson Kelley.

Ava was educated on Kent Island, graduating from Stevensville High School, Class of 1948. After being hired to teach kindergarten for the Grasonville Kindergarten Association in 1966, she began her college education. She earned degrees from Chesapeake College, University of Maryland College Park, and a Master's Degree in Early Childhood Education from Towson State College in 1978.

She also received certification in several courses offered by the Methodist Episcopal Church.

On Nov. 22, 1951, she married Lathern N. Honeycutt in Kingsley Methodist Church. They were married for 64 years until his death in January 2016.

She is survived by her daughters, Dale Honeycutt Wheatley and her husband, Philip of Mardela Springs and Kim Honeycutt of Preston. She leaves behind two grandchildren, David Wheatley of Mardela Springs, and Hilary Wheatley Fiore, and her husband Charles of Hebron; four great-children, Levi, Mathis,

and Fletcher Fiore and one great-granddaughter, Charlie Fiore. She is also survived by her sister, Elizabeth (Libby) Kelley Dawkins of Easton; a special cousin, Antonia Baxter Davis of Chestertown; numerous nieces, nephews, great- nieces, great-nephews, and treasured friends.

Preceding her in death were her parents; brother, Earl DeWitt Kelley; sister, Mae Kelley Porter; niece, Sandra Kelley Wingate; nephew Don Earl Kelley; and her treasured life-long friend, Eunice Harris Chance.

Ava worked in her father's garage, Kelley's Garage in Chester growing up. She was a receptionist for Dr. I.G. Hoyt in Queenstown and spent eight years working with Friel Lumber Company. After her daughters were born, she began her teaching career, first in Grasonville, then was transferred to Kent Island Elementary School where she taught kindergarten until her retirement in 1993. Following retirement, she substituted until she was called to tutor reading which she continued to do until June 2011. During her teaching career, she was twice named to Who's Who Among American Teachers, 1990, and after her retirement in 2001. She was also awarded the honor of Life Memberships in Maryland PTA and the National PTA.

Ava joined Kingsley Methodist Church (which later merged into Kent Island United Methodist Church) in 1940. Following their marriage, she and Lathern led the Methodist Youth Fellowship at Kingsley United Methodist Church, creating lifelong bonds with their MYF group. She served both churches in many capacities including Charge secretary, Trustee, singing in the choir, playing handbells, and taught Sunday School for a total of 40 years within both churches. She participated in a mission trip to South Carolina following Hurricane Hugo in the early 1990's. Two of the joys of her later years was belonging to the Tuesday morning Bible Study and volunteering in the church office where she formed a very special friendship with Diana Harmon.

Her other memberships included the Stevensville High School Alumni Association, for which she chaired the Scholarship Fund, Chesterwye Foundation and Chesterwye Board of Directions, Delta Kappa Gamma, Maryland PTA, National PTA, and the Queen Anne's County Retired Educators Association.

Ava was devoted to her church, her immediate family and to her extended family which includes Jerry and Patsy Harris, Art and Karen Oertel, David and Barbara South and their families. She was blessed to have loving, caring neighbors Lorraine Haddaway, Tony and Kris Martino, Stephen Edney and Al Miller.

In May she celebrated her 90th birthday and received over 250 birthday cards from family, friends, former colleagues, and her former kindergarten students from as far away as Germany, Alaska, and Hawaii. She treasured every card and note, reading them repeatedly. She was also recently honored with a Scholarship in her name by the Stevensville High School Alumni Association for a graduating senior pursuing their education in the field of education.

Her many activities included church and family events, large family dinners, Easter Egg hunts, and many, many birthday celebrations. She loved to read, enjoyed listening to music and sewing. She often referenced the quote "Live So That When You Are Gone, It Will Have Mattered."

A visitation will be held Wednesday evening July 7, from 5-8 p.m., at Kent Island United Methodist Church in Chester, MD. Her service will be held July 8 at 1 p.m. at Kent Island United Methodist Church. Interment will be held privately at Kingsley Cemetery.

In lieu of flowers, memorial donations may be made to Kingsley Cemetery

“ Mrs. Honeycutt was my kindergarten teacher. I asked her on the first day when I could quit because I have always had a little rebellious streak. We came to our understanding and I was proud to run into her at the Acme the week I graduated QACHS and tell her I made it. She was the first teacher to make a difference in my life. “ *What a beautiful lady. I became acquainted with Mrs. Honeycutt when I began teaching first grade at Kent Island Elementary. I remember when she made flags for every teacher to hang outside their classroom door.*

The flags were blue and white with the school mascot, a crab, and our name. Shortly after I got a new position and transferred to Grasonville Elementary. One day I received a package in the board of education mail from none other than Mrs. Ava Honeycutt and inside was a new flag, with my name and my new school mascot. Thank you, Mrs. Honeycutt, I will never forget you or your kindness. Rest in sweet heavenly peace.

“ *“Miss” Ava was a real gem. She was a true Christian, educator and friend to everyone she met. Her commitments to the community were a huge part of her life. She was an excellent cook; and if you ever tasted her dinner rolls, biscuits, stewed tomatoes and homemade ice cream, you were a lucky person! She and Mr. Lathern had the utmost integrity and dedication to family, friends, and community and were role models and mentors to many.*

Kim and Dale

There's no one to help you say goodbye and move on when you mother dies. No one to tell you to stand up, make the most of it, remember the good times, get back to work, that's life, we're all born, we all die. It has been said you don't know loneliness until your parents are both gone, when you truly realize that your success, failure, and happiness is on you alone. Spouses, siblings, good friends all matter, so very much, especially now. But not a single one of them is Mom.

*Love always

“ Mrs. Honeycutt was my kindergarten teacher in 1987. She was my inspiration to continue my education in elementary education. I still have a Christmas ball, dated 1987, that she made and gave her students that year. “ So sorry to hear of the passing of a dear friend. We had wonderful times working together in her kindergarten class. On one occasion we found out we were distantly related and her comment was "I knew we always thought alike". She was the kindergarten teacher for my son and every child that was ever in her class loved her dearly.
